

DataPovo Community Guidelines

Last updated: June 25, 2026

DataPovo is a social platform for public discussion, opinions, and civic debate. To keep the platform safe and respectful, users must follow these community guidelines.

Users may not post, share, promote, or encourage:

- illegal content or activity;
- hate speech, harassment, threats, or targeted abuse;
- sexually explicit content involving minors;
- Child Sexual Abuse and Exploitation (CSAE);
- Child Sexual Abuse Material (CSAM);
- impersonation, fraud, spam, or manipulation;
- content that encourages violence or self-harm;
- private personal information shared without permission.

DataPovo may remove content, restrict accounts, suspend users, or permanently ban accounts that violate these rules.

Users can report content or accounts through the app or by contacting:

support@datapovoapp.com.br

Child safety concerns should be sent directly to:
