8. Third-Party Services

DataPovo may use third-party services including:

- Firebase Authentication
- Firebase Firestore
- Firebase Storage
- Firebase Analytics
- Firebase Crashlytics
- Google AdMob (when advertising is enabled)

These providers process data according to their own privacy policies.

9. Advertising

DataPovo may display advertisements through Google AdMob.

Advertising partners may use advertising identifiers to provide personalized or non-personalized ads in accordance with applicable laws and platform settings.

Users may manage advertising preferences through their device settings.

10. Data Sharing

We do not sell users' personal information.

We may share information only:

- with service providers necessary to operate DataPovo;
 - when required by law;
 - to protect our users;
 - to investigate illegal activity;
 - to comply with legal requests.
-

11. Data Security

We implement reasonable administrative, technical, and organizational safeguards to protect user information against unauthorized access, alteration, disclosure, or destruction.

However, no internet transmission is completely secure.

12. Data Retention

We retain personal information only for as long as necessary to:

- provide the service;
- comply with legal obligations;
- resolve disputes;
- enforce our agreements.

Users may request deletion of their account.

Certain information may be retained where legally required.

13. Your Rights

Depending on your location and applicable laws, you may have the right to:

- access your personal information;
- correct inaccurate information;
- request deletion;
- object to certain processing;

- request a copy of your personal information.

Requests may be sent to:

privacy@datapovoapp.com.br

14. International Users

Your information may be processed in countries where our service providers operate.

By using DataPovo, you acknowledge that your information may be transferred internationally.

15. Changes to this Privacy Policy

We may update this Privacy Policy from time to time.

When significant changes occur, we will update the "Effective Date" shown above.

Continued use of DataPovo after the changes become effective constitutes acceptance of the updated policy.
